

Literacy Sample Test Questions

DIRECTIONS

This is a reading test. It has four parts. Each part has a different kind of question. Look at the practice questions below. For each question, four different answers are given. Find the one that you think best finishes the sentence. Then put an X in the box in front of your answer.

Put an X in only one box for each question. Be sure your X's are heavy and black.

Now work the three practice questions below.

Sample Problems

1. This is a.....

- A boy
- B boat
- C ball
- D bird

2. A cook makes

- A sugar
- B salad
- C sand
- D salt

3. Steelworkers wear metal hats

- A against safety
- B instead of safety
- C for safety
- D through safety

First look at question 1. You should have put an X in box D, because this is a picture of a bird. For question 2, the answer is B: a cook makes salad. The answer for question 3 is "for safety", so you should have put an X in box C.
